

**Division of Aging and Adult Services Administrative Letter No. 08-13**  
**Adult Services Section**

**Date:** November 10, 2008

**Subject:** Special Assistance Basic Adult Care Home Rate Increase

**Distribution:** County Directors  
Special Assistance Supervisors

**Effective Date:** January 1, 2009

**I. Background and Content of Change**

Session Law 2008-107 was ratified on July 8, 2008. The law contains a provision to increase the maximum basic Adult Care Home facility rate to \$1207 for State/County Special Assistance for Adults. This change is effective January 1, 2009.

The maximum rate for Special Assistance recipients with Ambulation Capacity Code "B" will increase from \$1,173 to \$1,207.

There is no change in the personal needs allowance, which is \$46 for all Special Assistance recipients, including the disenfranchised groups.

The Basic SA/ACH Maintenance Amount for those with Ambulation Capacity Code "B" will increase from \$1,219 to \$1,253 (\$1,207 + \$46).

**II. Automated Update for Ongoing Cases**

On the night of **November 21, 2008** EIS will automatically update active SAA and SAD cases with an Ambulation Capacity code "B" to reflect the new basic SA/ACH rate and the new maintenance allowances effective January 1, 2009. Do not send a notice for the January checks. A notice will be mailed with the December checks. A copy of the notice is attached in Figure 1.

**A. Active Case Records with Ambulation Capacity Code "B"**

1. For each active SAA or SAD case in EIS with an Ambulation Capacity of "B" and Total Countable Monthly Income of \$1,252.50 or less, EIS will:
  - a. Change the Domiciliary Rate to \$1,207.
  - b. Change the Maintenance Amount to \$1,253.

2. EIS will update the Monthly Payment Amount by subtracting Total Countable Monthly Income from the new Maintenance Amount of \$1,253 (minus any Grant Recoupment) and rounding the difference to a whole dollar. The Payment Effective Date will change to January 1, 2009.
3. A case profile will be mailed for each case updated.

### **III. Applications**

#### **A. Application Pending on January 1, 2009 - Effective Date Prior to January 1, 2009.**

For applications pending on January 1, 2009 with an effective date prior to January 1, approve the application with a Payment Effective Date of January 1, 2009.

If Total Countable Monthly Income is \$1,252.50 or less, approve the case as Ambulation Capacity Code 'B' with a Maintenance Amount of \$1,253 and a Domiciliary Rate of \$1,207.

Authorize months prior to January 2009 in the Retro 1 and 2 fields, using the October 2007 SA/ACH maintenance amount of \$1,219.

#### **B. Application Pending on January 1, 2009 - Effective Date of January 1 or Later**

For applications pending on January 1, 2009 with an effective date of January 1 or later, approve the case as Ambulation Capacity Code 'B' only if income is \$1,252.50 or less. Do not approve applications with income greater than \$1,252.50.

#### **C. Applications Taken On or After January 1, 2009**

Use the new Basic SA/ACH Maintenance Amount and Adult Care Home Maximum Rate for all applications taken on or after January 1, 2009.

### **IV. Reports**

The following reports will be available in NCXPTR on **November 22, 2008**. Follow the instructions below for each report. Reports are sorted by county and by district number within the county. Recipients in each district number are listed in alphabetical order by last name with case ID and county case number.

**A. Audit Report (DHREJA SA RATE INCR–AUDIT REPORT)**

There will be a list of those cases that were correct and were automatically updated by EIS. The report includes the old and new payment amounts, old and new domiciliary amounts, and old and new maintenance amounts. Review the cases to ensure the revised payment is correct.

If the payment is incorrect (usually because changes occurred that were not keyed on or prior to **November 21**), recalculate the payment following budgeting procedures. Notify the recipient of any change using the appropriate notice.

**B. Case Profiles (DHREJA SA RATE INCR–CASE PROFILE)**

In addition to paper profiles, a case profile will be in NCXPTR for each case updated by EIS.

**C. Error Report - Cases Not Updated (DHREJA SA RATE INCR–ERROR REPORT)**

The cases listed on the error report were not updated by EIS. Review each case on the error report and manually compute the payment for **January** and ongoing months. Follow the budgeting procedures in SA-3220. Update the case in EIS and send the appropriate notice for any changes.

The following is a description of the error messages:

**D. Disenfranchised Cases with Ambulation Capacity Code 'A' or 'S' (DHREJA SA RATE INCR-A&S DISEN CA)**

This is a list of cases with Ambulation Capacity Code "A" or "S" after the update.

**E. Listing of Potential Zero Pay Cases (DHREJA SA RATE INCR-POTE ZERO PA)**

As a result of the rate change, some current recipients may become zero pay cases (cases with a Payment Amount of \$1.00, \$2.00, \$3.00 or \$4.00). These cases are not automatically updated in EIS. Manually compute the new payment for January 2009 and ongoing months following budgeting procedures in SA-3220. Update the case in EIS and send the appropriate notice.

**IMPORTANT NOTICE TO  
RECIPIENTS OF SPECIAL ASSISTANCE FOR ADULTS (SA) IN ADULT CARE HOMES  
December 1, 2008**

The 2008 Session of the North Carolina General Assembly approved a change in the rate for Adult Care Homes for most recipients of Special Assistance. Beginning January 1, 2009, the rate that you pay the facility each month is increased from \$1,173 to \$1,207. Your SA check may be increased beginning in January 1, 2009 because of the increase in the rate you pay the facility.

Exception 1: There is a small group of people who pay a rate of \$1,231 per month. The rate for this group will not change.

Exception 2: There is no rate change for recipients residing in a Special Care Unit for Alzheimer's or related disorders. The Special Care Unit rate will remain \$1,515.00 per month.

**Hearing Rights:** If you disagree with this decision, you have a right to ask for a hearing. To ask for a hearing, call or write your caseworker within sixty (60) days from the date of this notice, which is January 30, 2009. If you do not ask for a hearing by that date, you cannot have a hearing. If you request a hearing, a local hearing will be held within 5 days of your request unless you ask for it to be postponed for good reason for an additional 10 days. The hearing will establish whether this action was correct. Then, if you think the decision in the local hearing was wrong, call or write your caseworker within 15 days of the local hearing to ask for a second hearing before a state hearing officer.

You may have someone speak for you at your hearing, such as a relative or an attorney obtained at your expense. Free legal services may be available in your community. Contact your caseworker for information on free legal services.

If you ask, your caseworker will show you and the person speaking for you your eligibility record before your hearing. You may ask to see other information used at the hearing.
